### GRAND KNIGHT'S MESSAGE

Hello Brothers;  
I trust the year has started off well for you. I know the rain we had has caused a lot of issues for many families. Let pray that things turn out well for all affected, especially our neighbors in Planada Ca.

Thank you to all that attended the Blue Mass. Together we were able to thank the MPD, Fire Department, First Responders. I hope you got your tickets ready and we will see you on Saturday February 4th.

With these events behind us, now it's time to focus on The Fish Fry beginning

on the first Friday February 24 after Ash Wednesday. I look forward to seeing all of us come together and make the 5 weeks a success. We have five consecutive Fridays of serving hundreds of dinners for dine in and take out.

Brothers have already began working for the Fish Fry's by looking for the best deals to make it more affordable to all. It is not easy, especially with the economy the way it is. Soon we will have ticket sales at the Church Plaza and we need your help to give those that were in the rain and the cold selling Crab Feed tickets take a rest.

As you can see Brothers we need

everyone's help. Each year we have many Brothers that are helping yearly. If you are one of those Brothers (THANK YOU!)

if you have not helped enough or at all yet. This is the time to step up and join our Council in serving those in need.

Thank you all for your contributions so far this year!

# FEBRUARY'S LECTURER REPORT

My Brothers Knights;

The month of family is dedicated to the Holy Family. Our Church suggests that Christian household should strive toward the model of virtue presented to us by the Holy Family of Jesus, Mary and Joseph.

Since the Holy Family was a Jewish family devoted to God and in their observance, they would've recited many prayers throughout the day. A great way to closely model our families to the Holy Family is to spend time together in prayer.

Prayers before meals are given, but God does so much more for us than giving us food. He gives us every day and we should take the time to thank Him for it every day together.

February offers a few weeks of ordinary time this year and then Ash Wednesday is on the 22nd. Most folks concentrate on what they will give up for lent. That's great, but it's only part of the observance.

Prayer, fasting and almsgiving: During Lent we should increase our participation in these three expressions of our faith. This can be done individually by each one of us on their own, but doing them together with our families will bring us closer to the Holy Family.

Sometimes it's hard to pray the whole rosary, so pray a decade. Saying a quick Saint Michael prayer after breakfast before we all leave for our business of the day is another great way to unite as a family.

Another thing we can do to unite our families more closely to the Holy Family is to consecrate our families to The Holy Family. Prayer Below!

## CONSECRATION TO THE HOLY FAMILY:

Lord Jesus Christ, who being made subject to Mary and Joseph,  
hallowed domestic life by your ineffable virtues;  
grant that we, with the assistance of both,  
may be taught by the example of your holy family and may attain to it's everlasting fellowship;  
who lives and reigns world without end.  
Amen!

Yours in Christ;
