- 1) I stopped by a roadside stand. The sign said lobster tails \$2. I paid my \$2, and he says "Once upon a time there was this lobster...."

"This is Alexa"
- 6) I've traveled all over the world and met some beautiful women in fact I met my wife in Thailand. I saw her and I said "what the heck are you doing here? Who's watching the kids?"
- 7) Do you ever wonder how dragons blow out their own birthday cake candles?
- 8) Before I became a parent, I didn't realize you could ruin someone's life just by cutting their pancakes the wrong way.

3 Answers from God to our prayers:

- 1) Yes
- 2) Not Yet
- 3) I got something better in mind.

God Bless you Brothers and Family;

What a great way to start of our Independence Day 2022!

On the Day of The Most Sacred Heart of Jesus, June 24, 2022 to be exact. We received Wonderful News that Roe Vs. Wade has been overturned! What a great time for America. And we can be more proud than ever in celebrating our Independence Day. Many children in their Mothers Womb are able to kick their stomachs out of joy that they may survive and come to this world to make a difference.

But we are not out of the woods yet. As we know we have to pray that each individual State vote and remove Legal Abortion for good.

God has shown us once again how our sacrifice and prayers are heard and work. Thanks to all who have dedicated their lives in praying, especially in front of the abortion clinics.

# JULY'S LECTURER REFLECTION

Greeting Brothers;

It is with great humility that I will except and feebly attempt to fulfill this most solemn duty as your Worthy Lecturer.

I visited the website [www.kofc.org](http://www.kofc.org) and finding the section [Understanding Council Officers Rolls and Responsibilities]. And scrolling down I found the following under

Lecturer- The lecturer provides brief spiritual discourses and reflections during business meetings for the "Good of The Order".

My Brothers, I will let you know right now that I am most certainly and completely unworthy to provide anyone with anything and I am very rarely "brief". So like all of the rest of the blessings in my life, this new position as Lecturer has come to me, not on the basis of any merit but as a grace truly undeserved.

That being said, I would like to reflect briefly on an exceptionally wonderful experience that many of us had on a Saturday not so long ago in the neighborhoods around our blessed Saint Joseph's Church. After the Vigil Mass of The Most Holy Body and Blood of Christ, a large group of devoted parishioners, Knights of Columbus Color Corps in full regalia, Deacon Richard, Father Benny, Father Sam and most importantly our Eucharistic Lord, processed through the neighborhood. The neighbors came out to see how humbly and reverently worshiped and followed our risen Lord.

The months of June and July are some of the most spiritually rich months for us as Catholics. In June we look to and pray for the Mercy of the Most Sacred Heart of Jesus and in July Holy Mother Church dedicates the month to the Precious Blood of Jesus, which was "shed for the remission of sins" (Matthew 26:28).

Then he took a cup, gave thanks, and gave it to them, saying, "Drink from it all of you for this is my blood of the covenant, which will be shed on behalf of many for the forgiveness of sins". (Matthew 26:27-28).

That is amazing, that is epic, that is real and it happens every single day and we are invited to be there. I don't know about you but His Blood is calling me right now. I want to receive Him as often as possible.

I will leave you this month with a great prayer for July Anima Christi;

Soul of Christ, sanctify me.

Body of Christ, save me.

Blood of Christ, inebriate me.

Water from the side of Christ, wash me.

Passion of Christ, Strengthen me.

Oh good Jesus, hear me, with in the wounds hide me. Suffer me not to be separated from Thee. From the malignant enemy defend me. In the hour of my death, call me. And bid me come to Thee. That with thy Saints, I may praise Thee. Forever and ever. Amen

Yours in Christ;  
Ray Tunkel  
Lecturer
