HELLO BROTHER KNIGHTS:

I MY TIME AS GRAND KNIGHT HAS QUICKLY ENDED. IN THE PAST YEAR WE HAVE HAD LOTS OF NEW CHALLENGES TO OUR COUNCIL AND ORGANIZATION.

WE HAVE LEARNED TO ACCEPT RECENT CHANGES, EVEN THOUGH WE MAY NOT BE OK WITH THEM. WE MUST LOOK AND SEE THE BIG PICTURE TO STAY STRONG. IT HAS BEEN AN HONOR AND PLEASURE TO SERVE GOD AND YOU AS GRAND KNIGHT. I WOULD LIKE TO THANK ALL THE OFFICERS, VOLUNTEERS,

CHAIRS AND CO-CHAIRS FOR THEIR SUPPORT. WITHOUT YOU ALL WOULD NOT HAVE BEEN POSSIBLE. AS YOU KNOW WE WILL BE VOTING ON OUR NEXT OFFICERS FOR THE NEXT COLOMBIAN YEAR 2022-2023. I WISH THE NEXT OFFICERS THE BEST AND A MOMENTOUS YEAR.

GOD WILLING I WILL SEE YOU BROTHERS ON UPCOMING COUNCIL MEETINGS AND EVENTS. WITH YOUR VOTE ON TUESDAY JUNE 7, 2022 I WILL CONTINUE TO TAKE ON THE ROLL AS A 3-

YEAR TRUSTEE. AND I WILL CONTINUE TO HELP GUIDE AND ASSIST THE COUNCIL ANY WAY I CAN.

MAY YOU HAVE A BLESSED AND WELL DESERVED FATHERS DAY!

Yours in Christ:

# JOHN'S JOKES

- 1) What's green and smells like red paint? [Don't you feel stupid].
- 2) Never make the same mistake twice. There are so many new ones.  
Why not try a different one each day? (sarcasm is my second language).
- 3) Fun fact about the English language. Nothing starts with the letter N and ends with the letter G.
- 4) Every once in a while I go outside and run the vacuum cleaner over the driveway just to ensure that the neighbors never talk to me.
- 5) So a neighbor next to my apartment knocks on my door at 3:00am. Can you believe it!? 3:00 am!  
Luckily, I was already up, practicing my bagpipes.
- 6) Kid: Dad, what's a forklift?  
Dad: food, usually.
- 7) Queso= Spanish for cheese.  
K, so= Southern for "Here's tha plan and y'all probly not going to like it."

# JUNE'S PRAYER MESSAGE

Lord Jesus, You came that the world might know the peace that You have experienced with the Father eternally. Yet, You taught us that in this life there will be wars and rumors of wars. Nations will rise against nations as violence works itself out in the world. However, through You, the world may be saved. O Lord, send Your spirit into the hearts of all men, that the world might know true peace through Your abundant mercy. Amen.

# JUNE'S EDITORIAL

God Bless you Brothers and Family.

I want to wish all you Fathers, especially my Father a Happy Fathers Day 2022!  
Thank you for being the best father you can be and not allowing the obstacles remove you from your duties.

Unfortunately, we can't say the same to many fathers that are not their for their children. Only you as fathers understand how difficult it can be to raise your children and make sure they have a roof over their head and to make sure they grow up to be man and women of respect.

Studies show that children that grow up without a father, are most likely to become a criminals, abuse alcohol and drugs and have children without any consequences or responsibilities. Fathers are often overlooked and we tend to always favor the mother over the father. But we forget the struggles or sometimes don't even realize that fathers have to go through against all odds to maintain the family united.

The Devil however does know what may happen to a family if a father is not in the picture. And that is why they are the most attacked by the demons. The devil knows if he destroys the father he destroys the family. One of the biggest tricks and probably most efective is attacking the father by tempting him to become an adulterer. And if the father does make the mistake in falling to adultery, society tells us that we have to be honest and tell the wife. This in my opinion is another trick of the devil. Because if a father does make a mistake and tells his wife about the sin he has committed. He loses his wife's respect and trust not to mention hurting and making her feel less attractive and worthless. When all this hurt and anger can be avoided and we should only tell our sins to God. God will forgive our mistake and tell us like he has before. (Go And Sin No More). And if we do so, the family maybe saved and will not lose the respect and love because of one great mistake.

Society knows the importance of the father, that if a mother is receiving WIC or other help from the government and the father is allowed to return home, the family will lose the help. That is why many families are without a father and the children turn to criminals.

I thank God, that my father was always their for my family and I, sure we went through tough times, but he never gave up on my mother and his family. Always a roof over our head and food in the table. He would give his life for his family. And one of the most important thing he could have done for his children. Is teach us to love God and respect others, especially our elders. These days all that has been set aside more and more everyday. We even have children having kids, when they should be learning in becoming a Man or Women of respect first.

So, for all you wonderful fathers that never give up, Thank You! you are not only setting a great example for your family, you are also setting a great example to society and help it become better than it is. I suggest you ask St. Joseph's and have him as your patron saint. If all men live like St. Joseph, we can guarantee that we will be the best man we can be.

St. Joseph, always humble and took care of The Holy Family. Once receiving word from the angel that God has sent, did exactly as the angel said. Leaving everything behind and taking Jesus and Mary to a safe place to later when things were calm, return for what he could take on the trip and starting over again and again. St. Joseph always asked God for His guidance and never did anything without asking Him first. That is what all of us should do. Before making any important decisions for our own family, we must ask God what He wants us to do.

God gave this mission to you understanding it is not easy, but He couldn't choose a better person for the job.

God Bless You Brothers and once again Happy Fathers Day 2022!

Yours in Christ;
